CHIRENJEEVI DJ

BSc Computer Science Student | Future Full Stack Developer |
Python & Cybersecurity Enthusiast | Strong Leadership & Team
Management Skills | Driven by Innovation
Walajapet, Tamil Nadu, India

Summary

I'm Chirenjeevi DJ, a passionate and results-driven Computer Science graduate and BSc Computer Science student with a strong foundation in Python, Full-Stack Development, Data Structures. I love solving real-world problems through technology and continuously improving my skills to stay ahead in today's fast-moving digital world.

I've actively participated in NCC, NSS, and academic projects, developing strong leadership, teamwork, and problem-solving abilities. My experience includes creating modern, responsive web apps, working on data-driven solutions, and exploring AI-powered cybersecurity innovations.

I'm now seeking opportunities where I can apply my technical expertise, contribute to innovative projects, and grow within a forward-thinking organization.

Skills:

Programming: Python, C, JavaScript

Web Development: HTML, CSS, JS, PHP

Tools: MS Office, GitHub, Linux, Cloud Platforms

Interests: Cybersecurity, AI Integration, Full Stack Development

Goal:

To become a skilled Cybersecurity Expert / Full Stack Developer contributing to impactful, secure, and scalable tech solutions.
